## Directions from Naples to Positano

<p>from Naples follow signs to highway <b>A3</b>  direction <b>SALERNO – REGGIO C. – <i>Penisola Sorrentino - Costiera Amalfitana</i></b></p> <p>Note: There is another highway to Salerno called A30. <b>Don't</b> take that one</p>	
<p>After 20 Km exit at <b>CASTELLAMMARE di STABIA</b></p>	

- Follow the signs for **Sorrento**
- After 13 Km you reach **Meta**
- Turn **left** following the sign to **Positano**
- After 16 Km you reach Positano
- Arriving at Positano, there is a crossroad with sharp turn right into Via Pasitea, the one-way internal road descending to Positano centre
- After two U-turns and another 200 metres you will find at your left hand side the “Hotel Villa Franca” and on the right a bus stop (there are currently road works there). There you can stop the car for the time required to unload your luggage; make your way to Casa San Matteo to left down Via Monte

GPS Navigator instructions: because Via Monte is a pedestrian path, you will probably not find it on your navigator; better input **Via Pasitea 328, Positano.**
